

DIAPER HOUSE COMPETITION

The 2023 HomeAid Utah Diaper Drive is set to be our biggest yet! We hope to make an immense impact in our Utah community. In 2023, we have decided to do something totally new and unique. Rather than having one business or group construct a diaper house, we are raising the stakes- all in honor of babies in need!

20 businesses or groups will have the opportunity to create their very own Diaper House for charity. This will be a competitive feat with prizes and bragging rights for 1st, 2nd, and 3rd place!

- \$100 non-refundable reservation fee
- Design plans are to be submitted to HomeAid no later than July 1, 2023
- Footprint cannot exceed 13'x13'
- 80% of the structure must be packaged diapers for donation

**DIAPER DRIVE:
AUGUST 25, 2023**

dadamson@homeaid.org
iashcraft@homeaid.org

- Cannot be attached to the asphalt
- Donor provides design, diapers, building materials, and decoration
- Donors must disassemble their houses and haul away all materials except diapers at the end of the event
- The house must be mostly assembled on-site starting no earlier than 7:30am and completed for judging by 12:00pm
- Suggested donation of \$1,000 for cancellations after May 1, 2023
